The Power of One Charity Changing the World...One Student at a Time

The Power of One Charity is a 501(c) 3 non-profit organization created by Judi Madsen and Brian Stanley on behalf of their son, Andrew J. Dollaghan, who was killed in a tragic car accident in 2008 at the age of 22.

The sole purpose of **The Power of One Charity** is to provide college scholarships to students needing financial assistance. Since its inception in 2010, **The Power of One Charity** has awarded **\$70,000 in scholarships (\$15,000 of which was awarded in April 2017)** to students in Adams 12 Five Star Schools!
